**1956 Ford Victoria.** We sell to all countrys. This car was from an estate settled in 2003. In 2004 the owner built a very nice driver car made it into a real neat driver car. He went through fuel system. put all new brakes on it also added exhaust. The motor is excellent and starts quick and idles smooth. transmission shifts out good. This car can be enjoyed just as you see it. It would be a blast to just drive and enjoy. It also would be a great candidate for a restoration project. The interior is usable like you see it. The clear plastic was put on some time ago. The fela who had all the big ideas took sick in 2004 and the car has set for 5 years. it is ready to roll now. bumpers are nice will need replated for show car. All stainless is excellent. This will make a high dollar car. Come look drive and enjoy. No broken windows. We are working on getting the original wheels no luck as of yet. so you are buying with the crager SS wheels. We have friends in shipping business who will set this car in your driveway. **e is bonded and insured and has many references and he has shipped half dozen for us.
